

CONFIRMATION BIAS

FOR IMMEDIATE RELEASE

CB Records is excited to declare the release the newest single from Confirmation Bias, "In Memory Of", which will be available worldwide on Friday, 10th of November 2023.

Title: "In Memory Of..."

Band: Confirmation Bias

Genre: Progressive Rock

"In Memory Of" is a powerful and emotionally charged progressive rock song performed by Confirmation Bias, a band that has written music for almost a decade that they are now starting to release.

"In Memory Of" is a poignant and introspective song that pays tribute to a remarkable individual who lived across two centuries. Their life is celebrated as one of integrity and good deeds, leaving behind a legacy to be proud of. This song delves into the depths of their character and the impact they had on a person's life.

With the blending of high-energy rock and heartfelt lyrics, the song masterfully combines evocative lyrics, dynamic instrumentation, and passionate vocals and is a testament to the band's ability to infuse energy into a deeply emotional narrative.

The song really stands out for its ability to balance emotional depth with musical intensity.
